

HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY

Spring Collection – Derry, NH

West Running Brook Middle School
Rt. 28 By-Pass
(Across from the entrance to the Fairways Complex)

Saturday, May 20, 2023
9:00 AM – 12:00 Noon

DO NOT THROW AWAY TOXIC PRODUCTS!

In the trash they can cause fires. In the landfill they contaminate soil and groundwater.

DO BRING:

From the Yard

- Fertilizers with pesticides
- Fungicide
- Insect spray
- Lighter fluid
- Pest strips/traps
- Pesticides
- Poisons
- Pool chemicals

From the Garage

- Acids
- Antifreeze
- Car waxes/polish
- Creosote
- Roofing tar
- Flea powder
- Gasoline
- Radiator flush
- Water-soluble driveway sealer *

From the house

- Bathroom cleaner
- Disinfectants
- Furniture polish
- Metal polish
- Mothballs
- Oven cleaner
- Photo chemicals
- Rug cleaner
- Thermometers

From the Workbench

- Brush cleaner
- Corrosives
- Oil-based paint/stain
- Rust preventative
- Solvents
- Thinner/turpentine
- Wood preservatives
- Wood stripper

DO NOT BRING:

- No asbestos
- No explosives
- No infectious waste
- No batteries
- No water-based paints *
- No radioactive material
- No water-based driveway sealer *

Helpful Tips on Dealing with Toxic Products:

- Follow and use the safety instructions on the label.
- Give leftovers to friends and neighbors.
- Keep the product in its original container and intact.
- **Do not mix** toxic products!
- Use in a well-ventilated area.
- Keep flammables away from heat, sparks, and flames.

***If you can clean it up with soap & water, DO NOT bring it to this event!**
