

# LONDONDERRY TOWN LANTERN

MARCH 26, 2024

The lead-up to an election can feel like a marathon of preparation followed by an all-day, all-out sprint. This is especially true of our municipal elections, which give our residents the chance to voice their opinion on the Town and School's direction for the next fiscal year. This year, 4,396 of you came out to vote. That's the largest turnout for Londonderry's Town election in more than 20 years, which is a testament to our community's growing engagement. I want to take this opportunity to thank our election team, whose expertise, attention to detail, and work ethic make Londonderry's elections the envy of the State. Our dedicated ballot clerks, many of whom return election after election, are the true secret to our success; we are grateful for your willingness to step up and volunteer. Two final shout-outs go to Town Moderator Jonathan Kipp, whose ongoing leadership is a key part of this well-oiled machine, and to our ALERT volunteers, who tirelessly work to keep parking safe and organized.

After this race of an election season, you would think that we would take time to rest and recuperate. To some degree, that's true, but it's also full steam ahead to put in place everything voters approved. In the voting booth, Londonderry is steadfast in its support of our "Big Three" departments: Fire, Police, and Public Works & Engineering. This year was no exception. The community approved funding for public works vehicles and roadway maintenance, an additional police prosecutor, and additional firefighters to enhance the delivery of advanced life support-level care. In this issue, we're featuring a bit about each of the Big Three to get you better acquainted with the departments who work so hard to serve our residents.

As we embark on the final quarter of fiscal year 2024, I'm grateful to the people of Londonderry for their continued support for the important work the Town does to serve the community. I'm excited for our future initiatives, and I can't wait to share the progress with you here.

Mike Malaguti, Town Manager

# LONDONDERRY FIRE GATHERS TO HONOR COMMUNITY MEMBERS AND THEIR OWN

Town Clerk Sherry Farrell swears in new LFD Lieutenants

On February 8, 2024, the Londonderry Fire Department held its first recognition ceremony since the Covid-19 pandemic. Due to the long time since the last ceremony, there were many to recognize. Since the previous recognition ceremony:

- Eight Firefighters completed their probationary periods.
- Two Telecommunications Officers (TCOs) completed their probationary periods.
- Eight Firefighters were promoted to Lieutenant and completed their probationary periods.
- Six of the eight members of the command staff were promoted one or more times.

Fire & Town leadership observe a moment of silence

Speakers included Town Council chair John Farrell, Fire Chief Bo Butler, Local 3160 Union President Chris Schofield, and Town Manager Mike Malaguti.

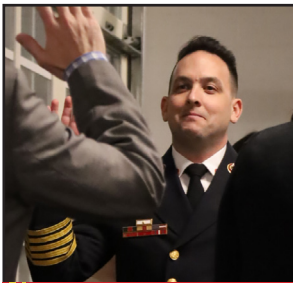

Speakers lauded the firefighters for their dedication and service, while thanking their family members in the audience for their support and sacrifice. Town Clerk Sherry Farrell administered the oaths to those being sworn in.

The Fire Department also recognized several civilians for their contributions to the organization or acts of heroism in the community. LFD swore in Dr. Marc Grossman as Chief Medical Officer and celebrated the contributions of retiring Londonderry School District custodian Charlie Wilton. Katherine O'Brien, Erica Lussier, and Patrick Hills were recognized for their lifesaving efforts during a medical emergency at Hannafords. Tim Porter and LHS girls' soccer team members Steph Gervais, Abby Jones, Lyndi McKinnon, and Kate Sloper were recognized for their response to a medical emergency at the West Road soccer fields.

L to R: Civilian honorees from the West Road incident; family members & department leadership pinned the new and promoted personnel; Londonderry High School vice principal Katie Sullivan poses with several of her former students. A special aspect of Londonderry Fire is how many of the members grew up in Londonderry and are "Lancers for Life."

**SEE THE NEXT PAGE TO MEET YOUR LFD COMMAND STAFF...**

**Bo Butler**  
Fire Chief

A Londonderry native, Bo married his high school sweetheart Amanda and lives in town with his five children. His wife's family has been in town for generations and is featured in the town's *Images of America* book.

**Best thing about LFD:** The people and the community where he gets to work.

**An interesting fact:** "A+B" (Amanda + Bo) is chiseled into a wall at Saddam Hussein's palace....that's all I'll say about that."

**Fred Heinrich**  
Assistant Fire Chief

Fred, who has been with LFD since 1988, is a training and education expert, holding associate degrees in Fire Science & Protection, a bachelor's in management, and a master's in adult education. He grew up in Londonderry and still lives in town today.

**Best thing about LFD:** The caring, supportive nature of the people in the department.

**An interesting fact:** "I am an instructor for the New Hampshire Fire Academy."

**Phil LeBlanc**  
Deputy Fire Chief

Phil has been with LFD since 2006, has a bachelor's degree from Rivier University, and is a U.S. Marine Corp Veteran. He is married with three children, and has lived in Londonderry since 1994.

**Best thing about LFD:** Getting to see the joy on the faces of kids and parents when they get driven to school in a fire engine.

**An interesting fact:** "I enjoy picking antiques and am an avid fan of Jazz music and building Legos."

**Brian Johnson**  
Div. Chief of Fire Prevention

Brian started with LFD in 1988 as a call firefighter, working his way up through telecommunications and fire inspector to his current position in 2010. He has lived in Londonderry since 1974.

**Best thing about LFD:** The family atmosphere for the past 36 years that has always provided him support.

**An interesting fact:** "I love to travel to Florida and my favorite place is Bermuda. Much-needed and great getaways."

**Jeremy Mague**  
Battalion Chief, Battalion 1

Jeremy has been with LFD for 27 years and has an associate's degree in Fire Science. A fan of classical music, he was in the Lancer band at LHS. He graduated in 1994 and still resides in town with his family.

**Battalion 1 is...** ...a well-rounded group of men and women with a wide range of skills and specialties.

**An interesting fact:** "I participated in the LHS band's first trip to the Rose Bowl Parade in 1992."

**Bruce Hallowell**  
Battalion Chief, Battalion 2

Bruce started his career in Pelham before joining LFD in 2008. He has degrees in Paramedic Technology and Public Service Management. He grew up in Tyngsborough, and lives in town with his wife and four children.

**Battalion 2 is...** ...relentlessly committed to self-improvement and training to build a high-performance team.

**An interesting fact:** "I work with my father and two brothers-in-law. I hope one of my boys will be the third generation."

**Jonathan Camire**  
Battalion Chief, Battalion 3

Jon got his start in fire service over 20 years ago as a call firefighter in his hometown of Canterbury. He's been with LFD for 17 years, earning degrees in Fire Science and Management.

**Battalion 3 is...** ...my other family and (usually) enjoys coming to work as much as I do.

**An interesting fact:** "The Parmenter Barn belonged to my wife's grandfather, Draper Parmenter. He's in one of the pictures on display in Town Hall."

**Jeff Anderson**  
Battalion Chief, Battalion 4

Londonderry native Jeff got his fire service start in Northwood, then returned to town in 1999 and joined LFD a year later. He received his Fire Officer 1 & 2 from Columbia Southern University, and still lives in town with his family.

**Battalion 4 is...** ...a motivated, hard-working, and dedicated group who don't have "no" in their vocabulary.

**An interesting fact:** "I'm an avid golfer, love to fish, and hang out at our lake camp."

# DEPARTMENT SPOTLIGHT: LPD's Airport Division

*Did you know that the Londonderry Police Department is contracted to provide the law enforcement services for Manchester-Boston Regional Airport? Police Captain Patrick Cheetham, Airport Division Commander, provides an introduction to this important - and unique - aspect of policing in Londonderry.*

*Londonderry Police Airport Division officers in front of Air Force One during President Biden's New Hampshire visit in March 2024.*

*Above: A special part of LPD's airport duties is participating in Make-A-Wish send-offs.  
Below: Captain Cheetham (center) and LPD officers at a 9/11 commemoration ceremony.*

On September 1, 2023 I took command of the Londonderry Police Department Airport Division at the Manchester-Boston Regional Airport after having served as the Services Division Commander for nearly five years. In my first six months, we experienced an expected increase in VIP movements as the New Hampshire Primary approached. Aside from our daily duties of protecting and serving the people, places, and things on or around the airport property, we coordinated VIP movements with the Manchester Police and New Hampshire State Police almost weekly.

For the first time in a long time, we saw nearly half of the Presidential cabinet make visits to or pass through "MHT," which required specialized security assignments to ensure the safe and efficient travel through MHT. Most dignitaries, to include our own Congressional delegation, fly commercially just like you and me. Some, however, are afforded small protection details and require special escorts, which are nearly almost always handled by on-duty staff and with no overtime.

We are proud to have served here at MHT since June 2006 and I am proud to say that I was an officer here from the start. When we took over law enforcement responsibilities at MHT in 2006, I had four years on with LPD and never envisioned finishing my career as the Airport Division Commander. But having been here a short six months, I wouldn't have it any other way. We get to meet people and experience aviation from an entirely different perspective than the normal traveler through. I continue to be impressed with airport leadership in both private sector airlines and tenants as well as with City of Manchester Airport employees.

If any citizen or town employee wishes to visit our Airport Division Office, please do not hesitate to contact me and I will arrange for a personalized tour.

Stay safe,  
Captain Patrick Cheetham  
Airport Division Commander

Municipal work can be hard work, and not just on people! Public Works vehicles need regular maintenance and replacement to maintain the level of service Londonderry requires. This week, the Town took delivery of a one-ton Ford F-150 utility pick-up truck. This truck will serve as the day-to-day operational vehicle for the assistant highway foreman. In the winter, it will be on the front line of snow removal, adding another dependable presence

on Londonderry's streets during snowstorms. Ford of Londonderry won the bidding process and supplied the truck. The Department of Public Works appreciates the support of Londonderry's residents, and would particularly like to thank voters for passing Article 6 at the 2023 Town election, which approved the lease of this vehicle. The lease program allows the Town to replace aging vehicles in a timely fashion, avoiding costly maintenance and repairs as they age and depreciate. Make sure to wave if you see us around Town! For more information on Public Works, please visit [londonderrynh.gov/public-works](http://londonderrynh.gov/public-works).

## PREPARING FOR A RAINY SPRING

April showers bring May flowers...but they can also bring a whole lot of flooded streets! Even a few inches of excessive water on roadways is dangerous, as it can cause driver to lose control or it can conceal hidden hazards.

As you prepare your home and yard for summer, here are a few things you can do to make sure your neighborhood stays as safe as possible:

- Clear off grates covered by debris (see above) so water can flow into basins.
- Dispose of yard waste responsibly, such as at the Drop-Off Center, rather than letting it accumulate in the swales (depressions) alongside the road where it can obstruct the established drainage paths.
- If you have a culvert under your driveway, make cleaning out the opening and the outfall part of your yard maintenance routine.

# NEWS AROUND TOWN

## Town Council Seats New Member & New Chair

Each year, at the first Londonderry Town Council meeting after the municipal election, the Councilors welcome new members and chose their leadership for the upcoming term. At the March 18, 2024 meeting, newly elected Councilor **Shawn Faber** joined the other members on the dais for his first meeting. The Council then proceeded to elect Councilor **Chad Franz**, the previous Vice Chair, as Chair, and Councilor **Ted Combes** as Vice Chair.

Before passing the gavel, outgoing Chair **John Farrell** spoke of his time as chair, encompassing 10 of the last 12 years. The Town thanks Farrell for his remarkable service as Chair as well as his continued knowledgeable presence on the Council. Additionally, the Town would like to thank outgoing Councilor **Jim Butler** for his three terms of committed service on the Council. Councilor Butler's dedication and willingness to pitch in to solve problems characterized his time in office, and the Town is grateful for all he accomplished.

# Leach Library Children's Room Levels Up!

Two very special additions make an already awesome place for kids (of all ages!) even better. When you walk in, look up and to the left to see the fantastic mural by local artist Melisa Keyes. Entitled "Friends with Apples and Books," this was the winning entry in the mural contest sponsored by the Library and the Londonderry Arts Council. Congratulations, Melisa!

The newest member of the children's room staff is a vegetarian, loves warm days, and is very quiet. We're talking, of course, about Oscar the Tortoise! Oscar will live in the Library and be cared for by Library staff. He'll be a part of all kinds of programs in the future. Studies have shown that reading out loud to pets can improve children's reading skills, so bring the whole family by to read Oscar your favorite book. Special thanks go to [Pets Plus Londonderry](#) and [Smiley Veterinary Clinic](#) for their support of our new shell-ebrity!

Library Lawn & Meeting Room | 2:00 to 4:30 p.m.

Stop by the Leach Library on April 8, 2024, anytime from 2:00 to 4:30 p.m. to view the eclipse on the library lawn or watch coverage of the eclipse in the meeting room. During the eclipse, a variety of activities and crafts will be available to complete at the library or take home including the opportunity to be an Eclipse Soundscapes Observer by participating in a NASA Citizen Science activity.

Attendees will receive a free pair of solar eclipse glasses while supplies last. Registration is not required for this program.

The Leach Library has a limited supply of eclipse glasses to give out during the following programs and activities. Please note solar eclipse glasses are available while supplies last on a first-come, first-served basis.

Stop by the Leach Library Main Desk beginning Monday, April 1 through Monday, April 8 during regular hours. Glasses will be available in the morning and afternoon on a first-come, first-served basis while supplies last and cannot be reserved. Limit of one pair of glasses per person.
