Chairman Franz:

Pursuant to Section 4 of my employment agreement, I notify you that April 24, 2025, will be my last day as Town Manager, unless an earlier date is agreed upon or otherwise established. While I believe I have enough support on the Town Council to continue my service, I have decided that clinging to a job I love would come at too great a personal cost. This is the right moment for me to move on.

I thank the Town Council and the community for the opportunity to serve. I particularly thank you for your leadership as Chairman over the past eight months. You have conducted yourself with the utmost integrity, always voting your conscience, supporting me and my administration, and fostering a safe environment for all Councilors to speak their minds and vote their own consciences. Your leadership always places the community first, and Londonderry is fortunate to have you at the helm.

It has been a privilege to work with some of the most dedicated and talented employees around. Some of these employees with whom I have worked most closely, including my senior leadership team and department heads, have sustained me through difficult times. Every success of the last three years would have been impossible without the commitment of every one of our incredible employees.

I set forth no list of accomplishments, leaving it to others to appraise the value of our achievements. I simply reflect on how much work we've done, and how far we've come. I close by returning to a refrain I have sometimes used over the past three years, and which I continue to believe: The future of Londonderry is bright, and its best days lie ahead.

Yours faithfully,

Mike Malaguti  
Town Manager
