

# School District: Projects 3, 4, & 5

2025 CIP  
Committee

## Project 3: LHS Renovation/Auditorium

ESTIMATED COST \$40,000,000

- Safety Issues in Phase I--wood framing, aging doors/frames, windowless spaces, etc.
- State Building Aid **could be** possible
- Auditorium is a noted need in NEASC accreditation cycles

# School District: Projects 3, 4, & 5

2025 CIP  
Committee

## Project 4: Turf Field

**ESTIMATED COST \$2,370,000**

- Athletic Fields used heavily for both school & town athletics
- Field Study in 2024 shows fields are overused.
- Turf would ease burden on natural fields
- One of only NH Division I schools without Turf
- Launching a donations campaign to ease costs to taxpayers

# School District: Projects 3, 4, & 5

2025 CIP  
Committee

## Project 5: LHS Grandstand & Press Box ESTIMATED COST \$820,000

- Phase 2 of Turf Plan to accommodate teams, coaches, families, and community spectators
- Facilities to accompany a new Turf Field (after field's construction)
- Hoping additional funds from donations campaign would help offset this cost for taxpayers as well
