What would you like to report?

I just finished watching the town Council meeting of the specific date and I was absolutely appalled by Debra Paul, swearing during the proceedings! It is bad enough during the meeting that she chooses to argue instead of calmly making her point but now she has crossed the line! I am a god, fearing Christian and I take offense as do many of my friends and family that she used the Lord's name in vain during the town council meeting! This is not acceptable. she should be reprimanded by the Chairman to not ever ever do it again! Unfortunately, it seems that the town council is never held to a higher standard! This will most likely never be addressed the way it should be!!!
